

The Life of Bal Ashram

Dhanyavaad

“Thanks to your generous support there is enough food in this bag to feed my family for 5 days”

Without these bags of food many
homeless migrants would leave the
their camp to journey home

Thanks to your generosity many families
shelter in the safety of their encampment
in Samne Ghat without risking exposure
to Corona Virus driven by hunger

Our Bal Ashram team of dedicated volunteers works tirelessly to purchase, portion and distribute bags filled with dal, rice, flour, oil and other essentials, directly from your donations

Your most recent response to our first appeal has generated enough to feed the the 250 families at the encampment through the next 15 days!

Your generosity will help keep families safe and in place, during the Covid 19 lockdown in India. Every donation of any amount is important. To donate use the following link:
